6 April 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 6 April 1966

25X1 [] of OSI gave a background briefing on the Soviet oceanography program.

DD/I reported that he is arranging for an Agency look at various materials pertaining to China available at the Stanford library. This is pursuant to a suggestion made recently to the DDCI by [] who is now an officer of Stanford.

25X1

25X1 Godfrey briefed on the current situation in Vietnam. This was supplemented by [] noted that Ambassador Leonhart is now on duty in the White House as a deputy to Komer in dealing with peaceful reconstruction of Vietnam.

25X1 [] reported that we have now received the D/NRO proposal concerning CORONA improvement. It is under study. It presents some difficulties.

25X1 [] reported that deSilva will return to Washington tonight and will be in the office tomorrow.

Houston reported that the BOB has cleared a proposed Agency bill preventing use of the Agency name by outside organizations.

Bross reported on a meeting he and DD/P had with General Davis, Army ACSI, yesterday to discuss world-wide Army clandestine intelligence operations. As DIA moves into the clandestine field, an inter-service battle in this regard is expected.

Bross said that he would be meeting with General Taylor of DIA to discuss the biographic reporting series produced by DIA.

DD/S&T reported on a meeting he and the Director of Scientific Intelligence had recently with Seitz of the National Academy of Sciences.

It was agreed that the Agency would cooperate with Seitz in developing a two- or three-man group to survey the work done by the Agency in the basic sciences as well as the requirements existing for Agency work in this field.

DD/S&T noted that the Soviets have launched another photo reconnaissance satellite this morning from Plesetsk. [REDACTED]

25X1

DD/S&T reported on work being done by a research and development subcommittee of a current interagency review committee on photo interpretation. It seems clear that DIA considers R&D at NPIC as something for which they are jointly responsible with the Agency. DIA may offer to contribute funds to this program. It was agreed that it may be necessary to take a firm and contrary Agency position.

25X1

[REDACTED]

DD/P noted an agent report which confirms the presence of substantial numbers of ChiCom troops in NVN and also confirms their role as one of engineering and construction rather than for combat.

DD/P tabled a redrafted proposed statement on the next ChiCom nuclear test. The proposed statement is acceptable, and it was agreed that OGC would arrange to show this to Senator Russell prior to making it available to the Department. Russell at hearings yesterday indicated great interest in this subject.

Executive Director noted that he has empowered the Director of Communications to contact any or all components of the Agency in order to develop a system of ensuring that cables and other such material going to the O/DCI clearly show what distribution has been made of the document within the Agency. All components are requested to cooperate.

DDCI asked the Executive Director to prepare an updated list of CIA personnel assigned to the White House. DDCI intends to make copies of the list available to Rostow and Moyers.
